

## gloria *Reserva* - dream come true

gloria Reserva is the perfect blend of three highly selected Portuguese grape varieties, creating a majestic wine that offers a lot more than expected. We have deep rich fruit, which is met by round tannins, enough to give the wine a strong presence, yet remaining very easy drinking.

**Aroma:** complex fruit aromas, ripe red fruits and cinnamon spice

**Flavor:** balanced and auspicious flavors, full of fruit, gentle spice and smooth tannins. An elegant wine by all measures.

**Enjoy with:** lamb, grilled steak, small group of friends or by yourself
