ABOUT ME

I am a design strategist seeking to create delightful, global innovations.

EXPERIENCE

Freelance Senior UX Designer

dotdotdash | Agency

Fairfax, VA | June 2023 - Present

Developing net new mobile innovations for automotive company; leading product strategy, wireframes, and prototypes while collaborating with visual design to craft intuitive UI and flexible design systems

Senior Experience Designer

R/GA New York | Agency

Fairfax, VA | June 2021 - April 2023

Established new digital brand vision for CVS and led redesign for CVS Health and CVS Payor Solutions corporate sites

Other clients: Meta, Estée Lauder, Lifescan, Verizon, Samsung, Brown University

Product/UX Designer

Hum | Association Management Platform

Charlottesville, VA | May 2020 - February 2021

Developed core branding and design systems; led product development in partnership with product management and engineering via UX flows, wireframes and hi-fidelity prototypes

Global Product Marketing Manager

Cisco Webex | Meetings Software

Raleigh, NC | August 2016 - August 2019

Led worldwide positioning across product launches, content and event campaigns; created original product video series; ran sponsorship initiatives with Ford Motor Company and the NBA Draft

EDUCATION

VCU Brandcenter | '21
