

FOR IMMEDIATE RELEASE

SHIFFLER EQUIPMENT SALES, INC., A NATIONAL SUPPLIER OF FACILITY MAINTENANCE PRODUCTS AND SERVICES, IS PLEASED TO ANNOUNCE A STRATEGIC RELATIONSHIP WITH ROGERS ELECTRIC, ONE OF THE NATION'S LEADING PROVIDERS OF ELECTRICAL, CONSTRUCTION, LIGHTING, AND DISTRIBUTION SERVICES NATIONWIDE.

Chardon, OH, January 22, 2021– Shiffler Equipment Sales, Inc, a wholly-owned subsidiary of UnitedForGrowth, LLC, with 50 years of experience serving the needs of educational facility managers, is announcing a strategic partnership with Rogers Electric which enables us to immediately offer LED retrofit and electrical maintenance services to educational facilities nationwide.

With this strategic partnership, we can repair, install, upgrade and retrofit any lighting system, anywhere in the United States. Rogers offers on-demand lighting services 24 hours a day, 7 days a week. With self-performing lighting crews and their own in-house project management team, Rogers can handle re-lamps and retrofits on any lighting system. With their rebate and tax support, they have the power to reduce your net project costs and maximize your ROI.

From replacing lamps and ballasts, to lighting design, installation and maintenance, Shiffler and Rogers will get the job done. From Energy Audits, Re-Lamp and Retrofit, Lighting Design, to Routine Maintenance, we can enable energy savings and lower both your electric utility and on-going maintenance expenses.

“Shiffler partnering with Rogers Electric, gives us access to over 1300 additional technical professionals that can help us audit and retrofit your educational facilities with the latest LED lighting technology,” says Mark C. Lewis, CEO and President, United For Growth, “this is an exciting partnership that can provide significant benefits to our customers and become one of the most impactful initiatives made in our 50-year history of providing support to educational facility directors and managers.”

For more information on retrofitting your facility with LED lighting technology, please call (888) 547-1539 or visit our website at www.shifflerlightingsolutions.com.

Background:

About Shiffler Equipment Sales: Shiffler Equipment Sales, Inc., a United For Growth, LLC wholly-owned subsidiary, headquartered in Chardon, Ohio, was originally founded in 1972 by a former school teacher William Shiffler to provide repair parts and installation services to educational facilities. We have since expanded our national company of multiple brands that represent over three hundred of the highest quality vendor and OEM brands providing over fourteen-thousand products, parts and services, including furniture, glides and casters, restroom partitions, lockers, visual boards and accessories, buildings and grounds solutions, custodial supplies, safety and security solutions, personal protection equipment and installation services throughout the United States serving the facility maintenance needs of commercial, local/state government, hospitality and healthcare markets. Our simple motto guides our business: ***Repair, Replace, Relax...we have what you need!*** For more information visit our website: www.shifflerequip.com.

About Shiffler Lighting Solutions: Shiffler Lighting Solutions is a division of Shiffler Equipment Sales, Inc. offering a comprehensive line of indoor and outdoor energy efficient lighting solutions, including the latest LED lighting technologies. Our lighting experts consult with facility directors and business owners to assess the potential benefits of eco-friendly lighting, then proceed to design and execute a complete retrofit program.
