

Occupational Health & Safety Policy

At Renaissance, we are committed to protecting the Health and Safety of our employees, contractors, customers and visitors by proactively removing and/or reducing the risks in all work activities and business operations.

Our Objectives are to:

- Provide a safe and healthy workplace for Renaissance and contractor employees.
- Provide a framework setting up the Occupational Health and Safety objectives.
- Meet relevant needs and expectations of workers and other interested parties.
- Provide effective training, motivation and communication to enable all employees to work in a safe and healthy manner.
- Comply fully with legal and other requirements.
- Maintain communication within the organisation.
- Commit to consultation and participation of workers.
- Commit to eliminating hazards and reducing Occupational Health & Safety risks.
- Provide relevant and appropriate documented information at any point of need.
- Empower employees to stop work if essential safety measures are not in place.
- Evaluate the Occupational Health & Safety workplace through inspections and audits.
- Continuously improve the effectiveness of the system.
