2021-2022 Coach/Manager Application Form

(Please submit application to: technicaldirector@aassa.ca)

Name:

Club:

Coach

Certification Level:

NCCP #:

Cell Phone:

Email:

Please select and prioritize (use 1, 2, 3 etc) which competitions you would like to be considered for as a Coach or Manager for Team Alberta. All coaches will be selected as per the criteria in the Skater Development Bulletin. The number of coaches we send will depend on the number of skaters going to each event as outlined in the SSC Competition Bulletin. For Head Coach, preference will be given to those who are Comp Dev Certified and/or have had experience coaching at the event they are applying for. For assistant coaches priority will be given to those who have Intro to Comp Certification and to those who have not represented Alberta as a coach at these competitions. SSC requires all coaches to have Intro to Comp Certification if they are to be in the coaches' box. We require some of our coaches to be present for the Friday afternoon training session the day before racing as well.

Those applying for Manager positions would benefit from having Intro to Comp certification as they may be called upon to coach if needed. Managers will also be considered based on overall experience at the type of competition being applied for. At CYLT and CYST, the manager duties **may** not involve coaching and will focus on communicating with parents/athletes about schedule changes, checking heat postings/changes, distributing helmet covers etc as well as helping with pre-race preparations. All selected Coaches/Managers will have expenses covered and must sign the SSA Code of Conduct. We also ask the coaches and managers to complete a Police Information Check that includes a Vulnerable Sector search. For those that do not already have one done for their club, you can contact the SSA office to ask about possible coverage for that cost.

Please include a coaching resume with your application.

Application Deadline: August 27th, 2021

	Head Coach	Assistant Coach	Manager	Can Attend Friday Team Practice
CYST Mar. 26-27, 2022 Selkirk, Manitoba				
CYLT Feb. 19-20, 2022 Halifax, NS				

Successful applicants will be notified by the Skater Development Committee on September 7th, 2021.

Once final skater numbers are confirmed by SSC 14 days prior to the event, additional coaches may be added.
