# TACTICAL ANALYSIS

La Pizarra del DT

## FINISHING

He has great finishing skills. He ends up the play in various ways, such as by shooting down to the post, heading in set pieces and from outside the box. He creates many goal opportunities.

## MOBILITY

He constantly moves and looks for dropping back to associate with midfielders and shows up on the sides. It allows him to create play as an option to advance in attack. He continuously moves into space.

## POSTING

He is a key player for the direct play. His skills allow him to get away from the marker by protecting the ball and passing to his teammates. He can also make headers to try putting teammates into play. He has a great aerial play.

# TACTICAL ANALYSIS

## UNMARKING

He makes diagonal runs in behind the defenders. He is smart to unmark and avoid offside. He manages the tempo of play and then plays quick with deep passes. He knows how to generate diagonal runs from inside to outside and vice versa.

---

## INSIDE THE BOX

He generates many goal chances because of how smart he is inside the box. He gets positional advantage from his short diagonals. He does posting actions to drop balls near the 18-yard box. He is good at the aerial play and one-touch finishing.

---

## AERIAL DUELS

He has a great aerial play. He has a good height that uses to win aerial duels inside the box. He jumps high and connects well with lateral crosses. He creates chances from frontal deliveries sent by his defenders.
