STATS IN UNITED STATES

La Pizarra del DT

RECEPTION INTO SPACE

He knows how to move in different zones to look for spaces. This way he creates play to both penetrate the defensive line and place himself in a goal-scoring chance.

TAKING PLAYERS ON

He is agile to dribble and get rid of rivals while driving the ball forward. Also, he has great speed and ball control to overcome them.

PACE

His acceleration and speed are some of his main skills to make the difference. He uses these characteristics of his style of play to speed up the direct attack.

OFFENSIVE TRANSITIONS

When his team wants to play directly, he is one of the main tools. Due to his speed, driving ability and positional awareness after recovering the ball, he is always well-located to advance.

WEAK SIDE

He tends to finish the play on the weak side, after being activated by a teammate. He attacks the free space in behind the defenders to have a goal-scoring chance.

DEFENSIVE ACTIONS

He supports in defense by pressing the rival when trying to build-up from the back. In addition, he is able to defend in positional shape.
