IN COSTA RICA

INTERPRETATION

He identifies free spaces to attack gaps in between the defenders. Once he recognizes them, he attacks in behind the rivals. He has scored by this way many times,

LAST THIRD

He understands how to move to put teammates in play and generate goal-scoring chances. Also, he is capable of showing up to finish the play.

POSITIONING

He associates on different zones of the pitch. He does it to help while building-up. He links the lines in the attacking phase.

TACTICAL ANALYSIS

TECHNIQUE

He makes good oriented controls, which allows him to me the ball forward. He makes good weighted passes.

AGILITY

He is agile to control and turn around. He is a dynamic dribbler, which allows him to change the pace. He gets rid of opponents through his individual technique.

ASSOCIATIVE CAPACITY

He knows that he has to associate in order to advance. He manages the tempo of play to make safe and risky actions.
