POWERFUL DRIVING

While driving the ball, he shows off physical condition to do it, which allows him to overcome rivals. This way he gets to the rival's box quicker.

MOBILITY AND UNMARKS

He shows up on the sides while moving back and forth. He activates the weak side by running in behind the defender and moving into attack.

DYNAMISM & POSITIONING

He has so much stamina. He enters in play on different areas of the flank, which allows him to start the play off as a low fullback. He is capable of either linking up with teammates or getting to the end line.

GOOD LATERAL CROSS

He makes lateral crosses into the box in order to connect with a teammate that is moving into the box. He is also able to pass it to a player that is pinning a defender.
