## TECHNICAL QUALITY

He is a technical player with good footwork to control the ball and win offensive duels. He generates superiorities due to his great technique to succeed in offensive 1v1 duels.

## FINISHING

He has good technique for finishing. He knows how to shoot in different situations, both at 1v1 situations in front of the goalie and making shots from outside the goal. Also, he has a good shooting technique from lateral crosses.

# Tactical analysis

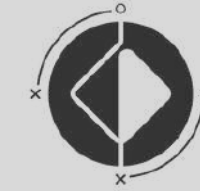

## POLYVALENCE

Due to his technical and tactical characteristics, he is able to play in different positions, both as a centre-forward, central and offensive midfielder. Also, he has played as a winger. He is very smart to move around the field.

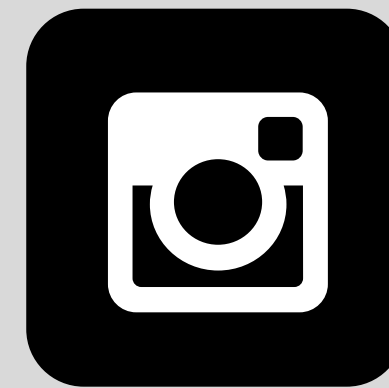

## OFF THE BALL

He is a forward who generates movements in behind the defenders. He continuously makes diagonales run, avoiding offsides, to get in front of the goalkeeper. Also, he drops back to support his team receiving between lines.
