OFFENSIVE 1V1

He uses his speed to win individual duels. He has good change of pace. He makes cuts in and out to surpass rival. Also, he is capable of running by the flank to make lateral crosses. Sending through balls in the last third is another of his skills.

DEFENSIVE SACRIFICE

He constantly supports in defensive phase. He retreats into shape to help the fullback. He goes back and forth, which allows him to step on both boxes. He is intense to mark on fullbacks and offensive midfielders.

RHYTHM OF PLAY

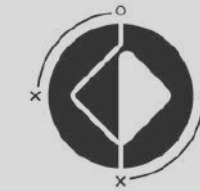

He is quick in open spaces. He knows when and how to attack into space. He provides mobility off the ball in order to become an option of pass. This is a key aspect both in positional and transitional actions.

PHYSICAL POWER

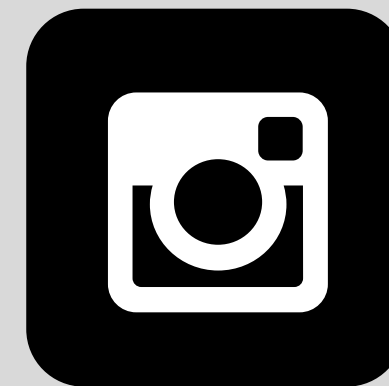

He has physical power to succeed in individual 1v1 duels. He surpasses rival due to his body use. He is strong enough to unbalance them even at his age.
