NEXT

## AERIAL PLAY

Tanto en jugadas en movimiento como en acciones a balón parado aparece con su salto y cabezazo. Así es una referencia para prolongar jugadas por medio del juego directo o finalizar las acciones.

## UNMARKS

He usually attacks deeply the rival's defense. He stands out at attacking the back line's gaps. While doing this type of movements, he stretches them out and receives into space.

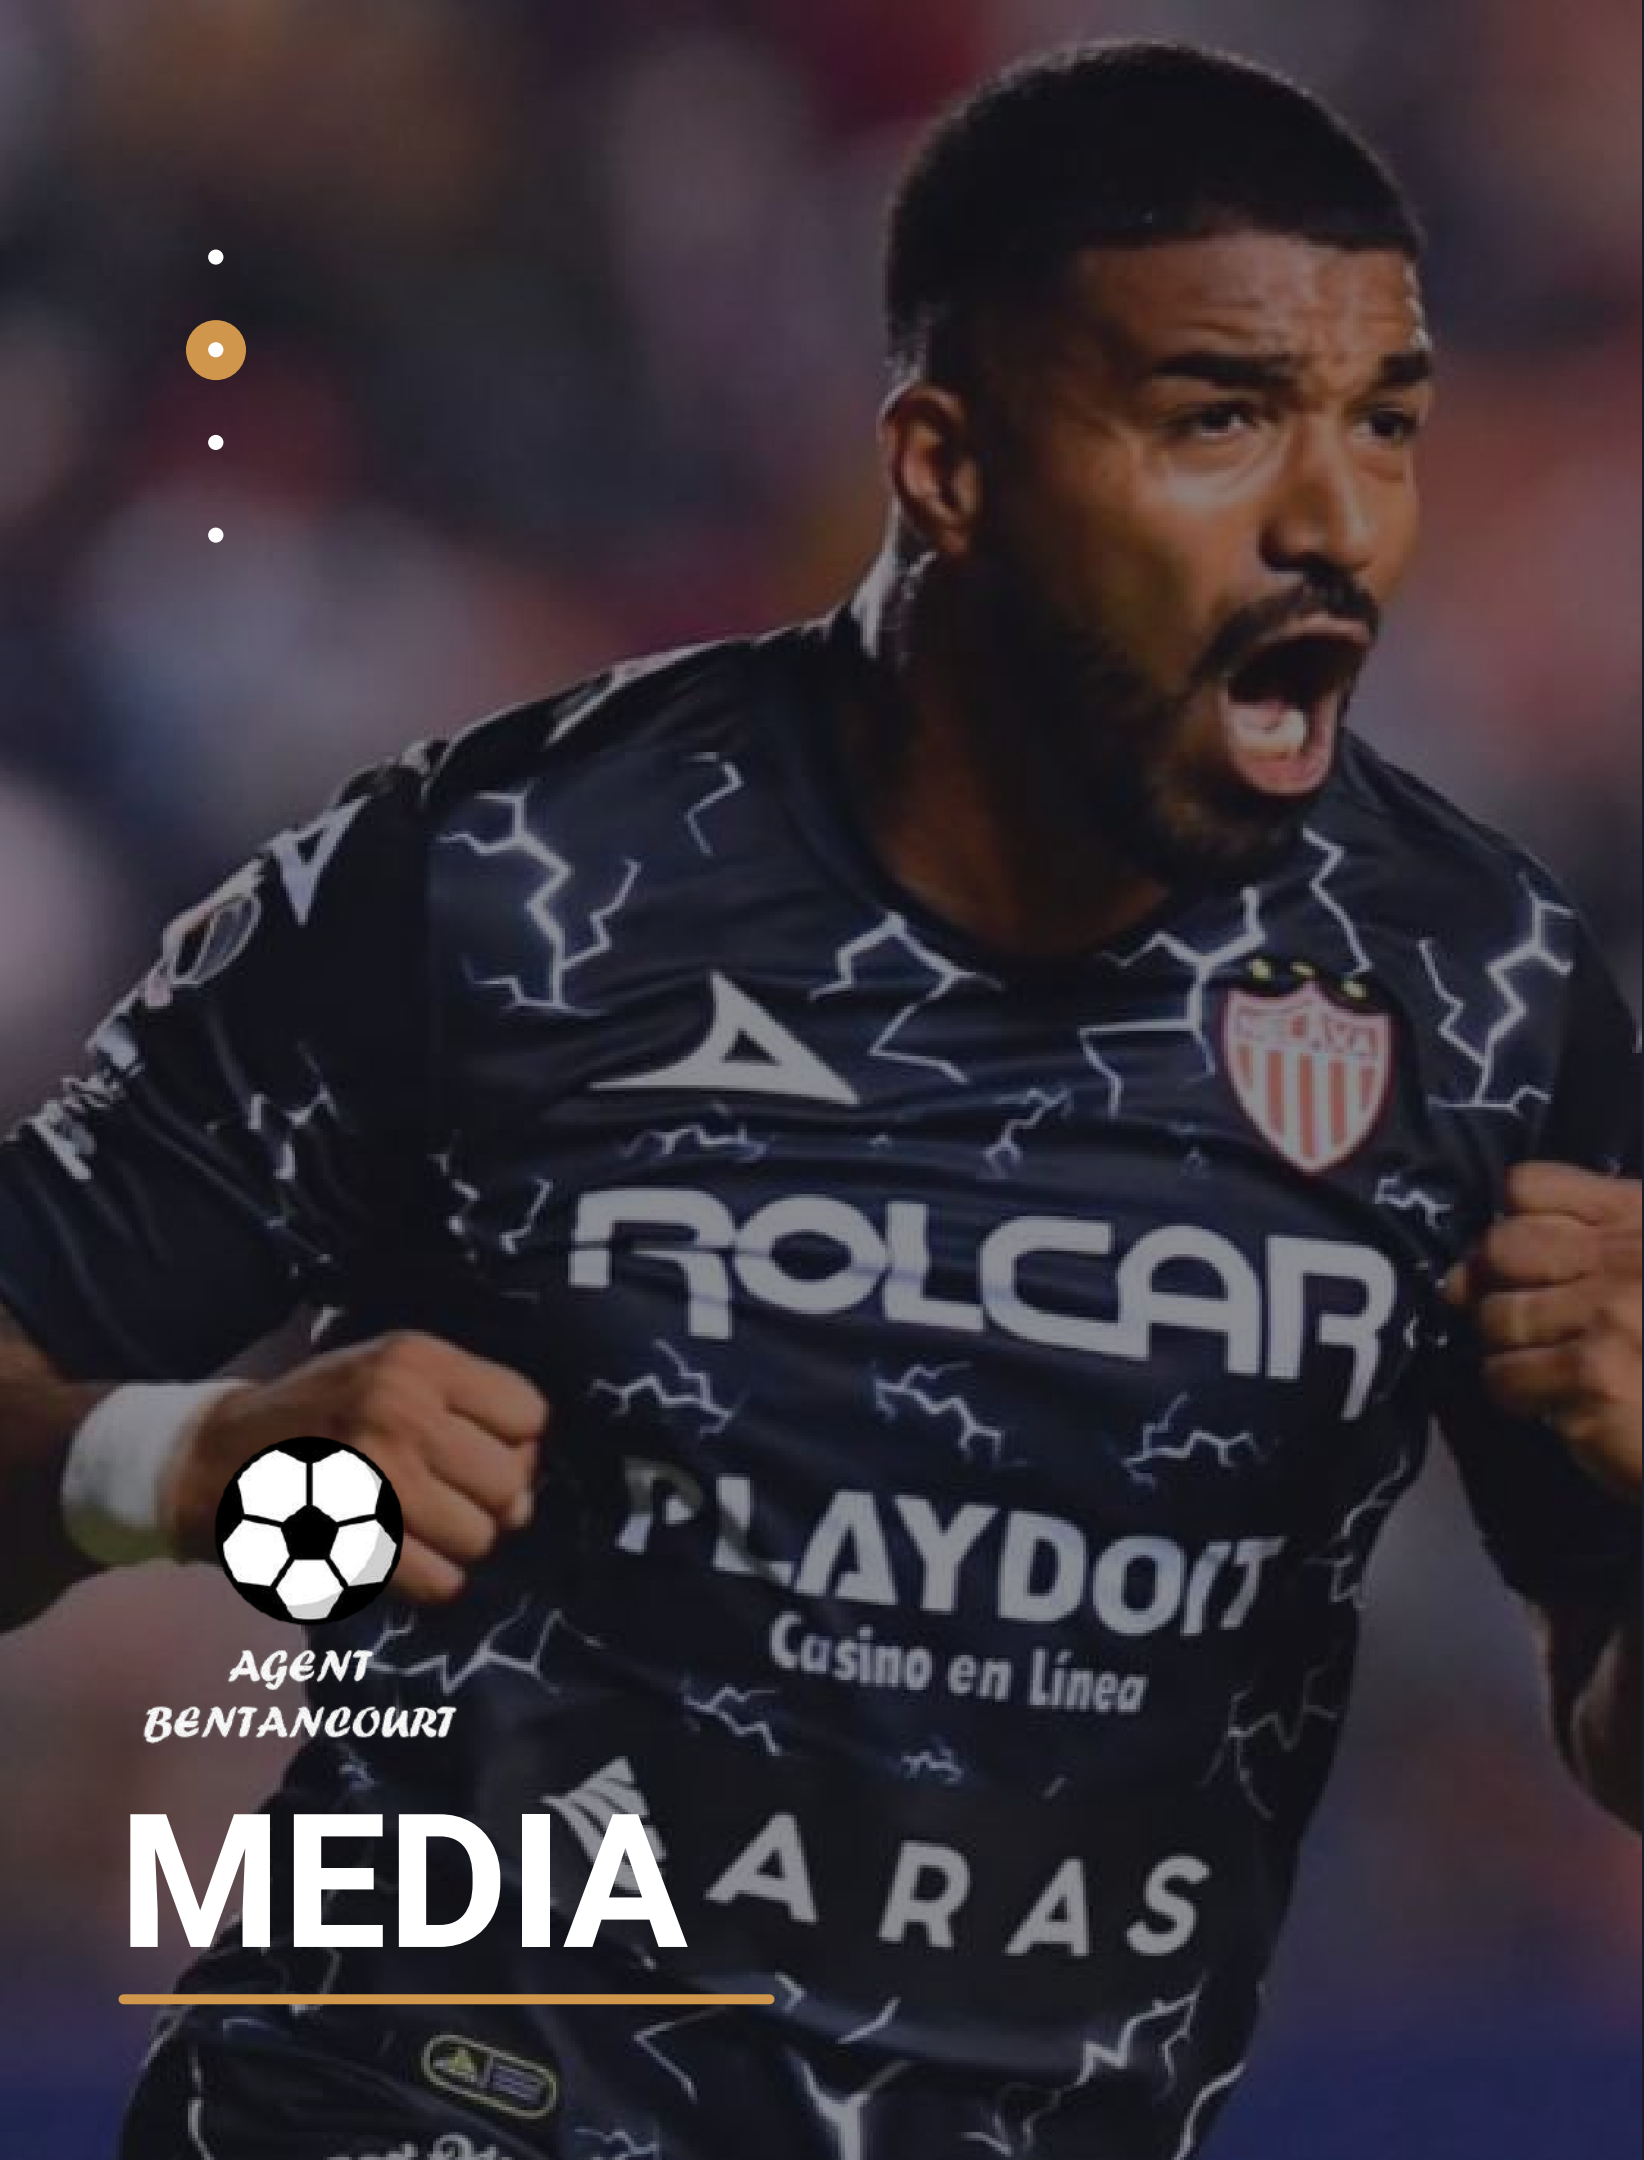

## OFFENSIVE TRANSITION

He is put in play after recovering the ball. If the ball stays near his zone, he tries to enter in play by showing up as an option of pass.
