Total actions / successful

FORWARD RUNS

He plays on the outside lane most of the time, but he is also able to play on the inside zone. He passes the ball and then moves to look for continuing the action. He has great ball control. He uses it to receive the ball and keep distributing the play.

TECHNICAL ABILITY

He is a footballer with a great technical capacity. He knows when to slow down the game but also how to move forward to pass in depth. Also, he is a dynamic player off the ball. He shows up in between the lines, which makes him an option to receive it.

ASSOCIATIVE PLAY

He can help build-up from the back, support it or become an option of pass in tight spaces or numbers down. His technical capacity allows him enter in play and find out solutions without time and space.

DEFENSIVE DUELS

He has good timing and positioning to win 1v1 defensive duels. He continuously presses as soon as he sees a chance, then he closes the rival's angle by using his body to unbalance them and get the ball back.
