ANTICIPATIONS

Peña is a midfielder with an excellent timing in 1v1 defensive duels to regain possession. He has a great reading of play, making a great coverages in different situations. He is confident to defend his zone and very smart to anticipate.

DEFENSIVE TRANSITIONS

He is capable of react quickly when defending an open play. He retreats into shape timely, in order to block a shot and defend a 1v1 duel. He anticipates long deliveries well. He is quick to cut off passes in between the lines and regain possession.

Tactical analysis

FUTBOL CONSULTANTS

PRESSING

He continuously presses high. He sacrifices to apply pressure against the rival's midfielders. He can press regardless of confronting low or high blocks. He shows off timing to step to the ball and put pressure on them.

TEMPO OF PLAY

He uses to be part of the building-up phase, being the leader to initiate transitions. He manages the tempo of play. He makes great through balls. When transitioning into attack, he knows how to distribute the play.
