TIMING

She is smart to anticipate frontal and lateral deliveries. She has a good timing to anticipate through balls and suppress a rival's dangerous attempt. She changes his pace while defending in order to regain possession of the ball.

1V1 OFFENSIVE DUELS

She generates superiorities due to her great technique to succeed in offensive 1v1 duels. She wins it through his body feints and change of pace in short spaces. Before receiving the ball, she anticipates how to move.

ASSOCIATIVE CAPACITY

She helps in the building-up phase by associating with her teammates on different heights and lanes. She is capable of making short, medium and long passes, because of his accurate pass.
