EXPERIENCE

Osmosis Labs

Product Designer • OCT 2021 - OCT 2023

Designed UIs to help ~450k users to deposit >\$1 billion,
and earn trading fees on their liquidity (\$24 billion traded).

Creative Commons

Product Design Contractor • JUN 2020 - MAR 2021

Researched and designed CC Search—bringing traffic of 7
million searches per month, reducing search time by 75%.

Smart Haven Designs

Experience Designer • MAY - DEC 2017

Ideated, designed, and shipped hardware and web
solutions for team's OnePlug product experience.

Samsung NEXT

UX Research Intern • JUNE - AUG 2016

Conducted UX audits + competitive analysis to help
portfolio companies discover user needs.

LEADERSHIP

Greenlining Institute: Casa Joaquin

Scholar | Organizer • AUG 2015 - JUN 2016

Worked to increase access to telecom resources for
disadvantaged communities in the Bay Area. Served as
UCB delegate at Student of Color Conference 2015-17.

Haas School of Business

Undergraduate Instructor • AUG - DEC 2017

Collaborated with NYT's bestselling author + professor,
to lead students through "rejection therapy" exercises
designed to invoke problem-solving while in discomfort.

WCAPSU

Director of External Affairs • DEC 2015 - MAY 2016

Lead promotional efforts for West Coast Asian Pacific
Islander Student Union's 300-person conference in
universities across the West Coast (CA, WA, HA).
