## Equalities Objectives 2021-2024

Reviewed and approved by the Local Governing Body during the term: Autumn 2021
Next Review Date: Autumn 2023

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of protected characteristics). The Charter Schools Educational Trust values state that:

- » We are committed to helping all children, particularly the most disadvantaged and vulnerable
- » We work successfully with people of many diverse backgrounds and cultures
- » We accept that we have biases and work hard to free ourselves of these
- » We know that diversity of experience and perspective makes our organisation richer and our decisions better.

The Trust and Lyndhurst Primary school will annually review how well we achieve these aims with regard to the protected groups under the Equality Act (2010) (race, disability, gender, gender reassignment, age, pregnancy and maternity, marital status, religion and belief and sexual orientation).

Under the Act, the Trust and its schools are expected to comply with the Public Sector Equality Duty (PSED). This requires us to:

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity between different groups
- Foster good relations between different groups

As a public organisation, we are required to:

- Have due regard to the PSED when making decisions, taking-action or developing policy and practice.
- Publish information to show compliance with the Equality Duty. This is done via our Equalities Policy.
- Publish Equality Objectives which are specific and measurable.

Our Equality Objectives reflect Lyndhurst's priorities, and our values and draw upon available data and other evidence. Careful analysis of this is undertaken in order to ensure that we are working to achieve improved outcomes for different groups.

<b>2020/2021 Review</b>
In 2020/21: <ul style="list-style-type: none"><li>• We continued our work on diversifying the curriculum particularly in History, Art and Literacy by ensuring that materials, content and perspectives used are representative of our school community. See our Current School Improvement Plan (21/22) for details of what we are doing this year to further eliminate discrimination, promote equality of opportunity and foster good relationships.</li></ul>

- We continued to select teaching and learning curriculum resources to provide positive examples as well as images of differing family set-ups, e.g. same sex parents, sexual orientation, gender identity. We are updating our PSHE curriculum in preparation for the new curriculum.
- Worked in collaboration with Acorn Book Club to build a new library, fully stocked with a diverse range of books representing all pupils.
- Teachers attended Rights Respecting Schools training.
- Despite the challenging circumstances, at KS2 20% of our disadvantaged pupils exceeded age related expectations in Maths and Reading; 40% exceeded age related expectations in Writing.

### Lyndhurst Equality Objective September 2021

The Equality Act 2010 requires us to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other information. Our equality objectives focus on those areas where we have agreed to take action to improve equality and tackle disadvantages.

#### Objective 1:

To improve outcomes in reading for those children with low starting points, including those with SEN, those for whom English is an additional language, and those who are disadvantaged.

#### Actions:

- Phonics training cascaded to staff
- Phonics outcomes evidence decreasing difference between disadvantaged pupils and their peers.
- Evidence of progress and increased attainment in reading through termly summative assessment data.
- Lesson observations and Learning Walks demonstrate increased confidence and engagement for low attaining readers.
- HLTA engaging with specific literacy training with accreditation, increasing internal expertise and capacity to provide support.
- Disadvantaged pupils who need support with technology are loaned devices so they can use Lexia at home.
- Evidence of progress and increased attainment in reading through monitoring of Lexia reading intervention in Y2 – Y6.

Outcomes we have seen so far:

91% of pupils pass the phonics screener by Year Two

78% of our SEND pupils pass the phonic screener by Year Two
