

Elevate Your In-Store Experience with an Elegant Display Guaranteed to Wow Customers

REVEAL® Arch Kiosk System

An elegant in-store display, our Arch Kiosk is available in Twin and Queen-size options, capable of mapping couples. The side and overhead monitors of the Arch Kiosk create an immersive experience catering to both side and back sleepers.

Showcase Your Brand and Build Recognition

Use the standard REVEAL by XSENSOR graphics or customize them to showcase your brand. The possibilities are limitless with the winning combination of our REVEAL Arch system and your brand. The system consists of four (4) fully customizable panels that you can use to create unique graphics that align with your brand and messaging.

Size Options to Suit Every Need

Choose from the spacious Queen size or the more compact Twin size, allowing retailers to customize their showroom layout based on available space and customer preferences. The Arch Kiosk effortlessly blends functionality with style, making it an ideal addition to any mattress or furniture store.

Cutting-Edge Technology

The Arch Kiosk uses an innovative pressure mapping sensor that ensures seamless functionality and reliability during customer interactions. The state-of-the-art system measures customers' comfort and support levels, allowing them to SEE what they FEEL and recommends a suitable mattress category.

Our Three-Step Process to Choosing the Right Mattress

Our simple three-step process ensures a seamless and innovative REVEAL experience for salespeople, and it empowers customers with real-time insights and mattress category recommendations, boosting their confidence in their choice — all in as little as five minutes.
