Dear Friends,

Hannah's House signature event, Holiday Happenings, will be held December 8, 2023, at The Gillespie in South Bend. Cocktail and registration hour will be followed by dinner and a lively uplifting program, including silent and live auction fun. We will come together in celebration of our 30 year Anniversary serving our community together, and in joyful outlook for a promising year ahead. Holiday Happenings celebrates 30 years of helping pregnant women who have been disadvantaged embrace a process of life transformation. As our lives are busy and full, in special moments we are called to pause and take stock in the positive and wonderful life-elevating work we mission every day for the mothers and babies we serve.

Annually, we present two awards near and dear to our hearts. The Tree of Life Award for 2023 will be awarded to Kathy & Brian Wonderly, owners and operators of our local Chick Fil A stores. Kathy and Brian are closely aligned to the mission of Hannah's House. This award is intended to recognize work in our community that has made a difference in the lives of babies, children and families.

We also recognize an individual or organization, that exemplifies servant leadership in our community. Named in honor and memory of our founders, Diane and Bill Killilea, this award is in recognition of the life Diane and Bill lived serving others and leaving behind a strong legacy with a lasting impact on our community. The Diane and Bill Killilea Lifetime Service Award will be presented to The Mary Cross Tippmann Foundation. Events such as Holiday Happenings allow us to gather as a community and encourage one another as we unite for the common purpose of supporting the mission of Hannah's House to empower pregnant women who have been disadvantaged to embrace a process of life transformation.

We invite you to walk alongside us and support the fundraising efforts of this event. By providing Hannah's House with donations for our silent and live auctions portion of Holiday Happenings, you are comprehensively contributing to the daily function of Hannah's House homes, programming and therapeutic resource funding. Without your support, moms and babies who walk through our doors would have little opportunity for guidance, growth, mental wellness, safety and physical health. Hannah's House lovingly offers.

Hannah's House would be honored in having your company or organization join us in celebrating 30 years of continued service, by donating any of the items listed below.
