## New Sermon Series

Going into the new month South bay will be starting a new sermon series entitled, "New Life." This will continue until resurrection weekend. We are very excited to be sharing with you all this month.

## Raphael

This past week many of us from our South bay church family gathered together to remember the beautiful life of our brother Raphael. Our Pastoral team just wants to take a moment to thank everyone who was able to be there. We know times like these are hard, and it is during these times where we need each other the most. Those who were not able to make it thank you for your prayers, the time you have taken to reach out, and everything else that you have done to comfort Raphael's family. We are so blessed to know we have the hope of Jesus Christ that we will see our brother Raphael again. Please continue to pray for Raphael's family, and continue to reach out when you can. Thank you so much.
