## Youth Vespers Highlight

This past Friday we had our first youth and Young Adult vespers in our newly re-done Youth room. While practicing social distancing we were able to have food, worship, and good conversation with one another. There was a great turn out with over 20 youth and young adults. We would also like to thank Coach and his family for providing us with such delicious food. Pastor Yesenia is very excited to be working with Coach and collaborating on future events for our youth and young adult.
