# Explosion of complexity

A man and a woman are shown in profile, looking intently at a large screen that displays a complex, glowing digital interface with various data points, charts, and lines of code. The scene is dimly lit, with the primary light source being the screen itself, creating a high-tech, futuristic atmosphere.A magnifying glass is positioned over the word 'Connected' in a list of attributes. The handle of the magnifying glass is visible on the right side, and the lens is centered over the word. The background is a solid teal color.
