You MAY NOT deviate from your original lyrics and selections. SEE RULE 9 BELOW!**
5. This is a TIMED EVENT. Each band will have a total of **15 minutes** to take the stage, perform your selections, and exit the stage.
6. **Each band must arrive at the stage area 30 minutes before their scheduled "Battle Time"**. ONLY band members will be allowed near the stage area. Any members arriving late will cause the band to be disqualified.
7. **Each band MUST use most of the EQUIPMENT provided by KING MUSIC INC. 8. **THIS IS A FAMILY FRIENDLY EVENT** - No obscene lyrics, gestures, profanity, or nudity will be tolerated.
9. No drugs, smoking, or alcohol allowed on or near the stage area. ANY SUSPICION of drugs or alcohol use prior to the event will not be tolerated and will lead to the immediate disqualification of your band.
10. No banners or promotional information allowed by any band, band member, or groupies.
11. All decisions made by the sponsors and judges are final and must be adhered to by all band members.
12. Awards will be presented directly following the last band. You DO NOT need to be present to win a prize.
13. **NO SOUND CHECKS.** The ONLY knob(s) you can adjust are on the guitars and/or keyboard. All amp knobs must be left alone. The mix will be established prior to the battle and our sound crew will make every attempt to remain the same for all bands. That's fair.
14. A complete information packet and phone calls will be given to your contact person after your band has been accepted for the "battle". This packet will include how your band will be judged and the specific areas the judges will be looking at to determine your score. Also included will be instruction on how to get on and off the stage, and, most importantly, what time your band will perform.
15. **There cannot be 2 or more of the same members in multiple bands. A single member "can" be in a max of two different bands. Example: Drummer playing for 2 different bands out of necessity.**
