8 PHASE PROGRAM

PHASE 1

Pre-Training Phase

This is the pre-course phase where delegates become familiar with the course materials through required pre-reading.

PHASE 2

Training 1

Training 1 begins, as delegates deep dive into the theory and models behind effective coaching.

PHASE 3

Intermediary Work

Intermediary work for delegates to digest material learned to-date.

PHASE 4

Training 2 and coaching clinics

Training 2 continues with our interactive coaching clinics.

PHASE 5

Coaching practice and Pro-Bono work

Pro-bono coaching practice work with selected coaching clients or team members, supported by G2S group coaching clinics.

PHASE 6

Written Examination

A written 'open book' assessment, testing delegate's theoretical knowledge of G2S coaching theory and practice with a successful 'pass' required to qualify for Phase 7.

PHASE 7

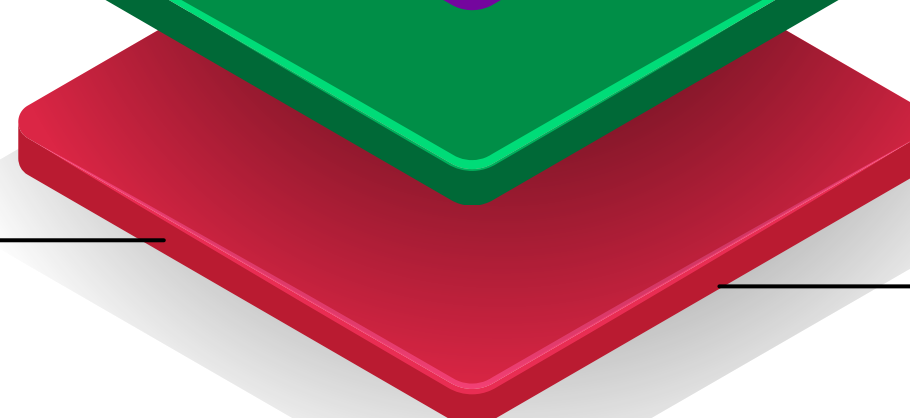

Discovery Session Practical Assessment and Certification as a G2S Coach Practitioner with 38 CPD accredited hours.

The student's fluency in practical coaching is now assessed via a Client Discovery Session and successful graduates are certified as a G2S Coach Practitioner.

PHASE 8

Certification as G2S Advanced Coach Practitioner with additional 19.5 CPD hours (Total 57.5 hours)

This optional stage in professional communications skills certifies the G2S Coach Practitioner as a G2S Advanced Practitioner licensed to deliver individual and group coaching communications programs. This training is also open to all coaches who want to certify as a CPD-Certified Professional Communications Coach.

SEAN WEAVER'S G2S COACHING SCHOOL

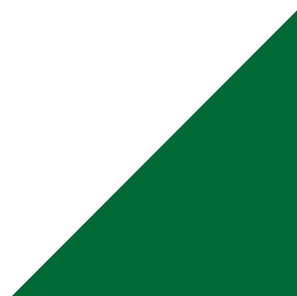

The G2S Coaching system stands out from other coaching models because it is a specific system based on process, results and accountability. One client described it as 'providing guide rails to success'.

If any of the above resonate with you then find out how to become a CPD certified coach and mentor by training with the G2S Coaching School at SeanWeaver.com or G2SCoachingSchool.com
