

QUALITY POLICY

“Through a strategy of continuous improvement and teamwork, Lear Corporation is dedicated to establishing the highest industry standards for quality, value, service and technology.”

The foundation for achieving our commitment is based upon:

- Recognizing and understanding the requirements of our internal and external customers;
- Developing and implementing processes for Design, Engineering, Manufacturing, Administration and Quality that support the elimination of waste and the prevention of problems; and
- Effectively utilizing the creative talents of our employees and suppliers.
