Springpod Unlocked Homework Task Guide

It is important that you are aware of all of the pathways open to you after school or college. These short 1 hour courses will help you decide which is the right pathway for you. You will have the opportunity to complete short 1 hour courses looking at T Levels, Apprenticeships and Higher Technical Qualifications. You will gain invaluable knowledge, advice, and insight from those who have chosen this pathway.

This immersive content will help you understand:

- What each pathway means and the qualifications available
- The benefits of each pathway
- The steps you will need to take to search and apply

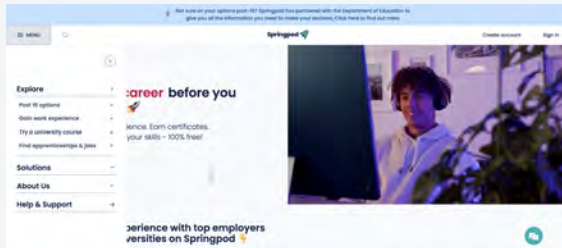

What do I need to do?

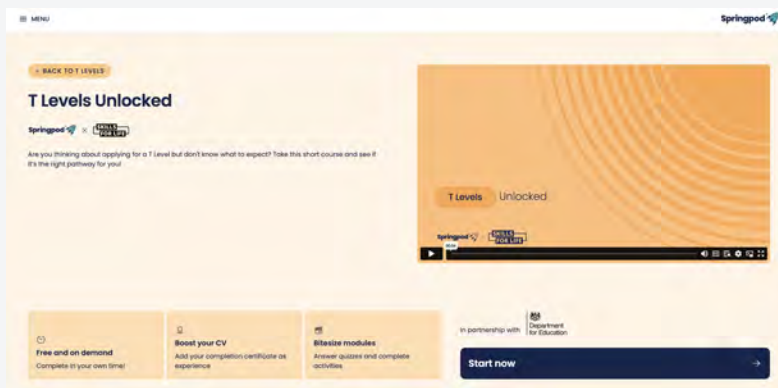

Create your free Springpod account [here](#)

Explore courses [<https://unlocked.springpod.com/>]

Click **Start** on the programme you wish to complete. You can choose from:

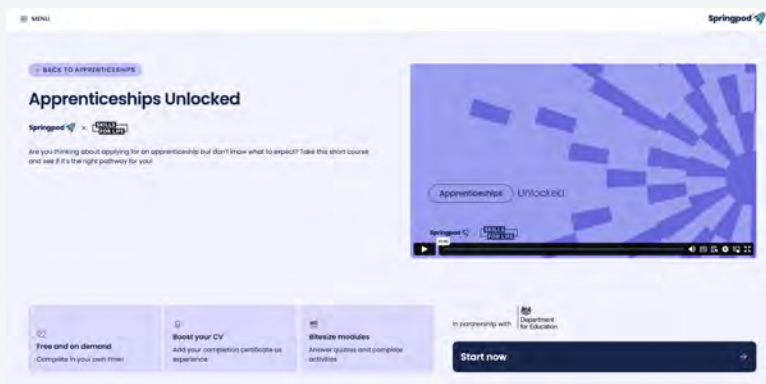

T-Levels

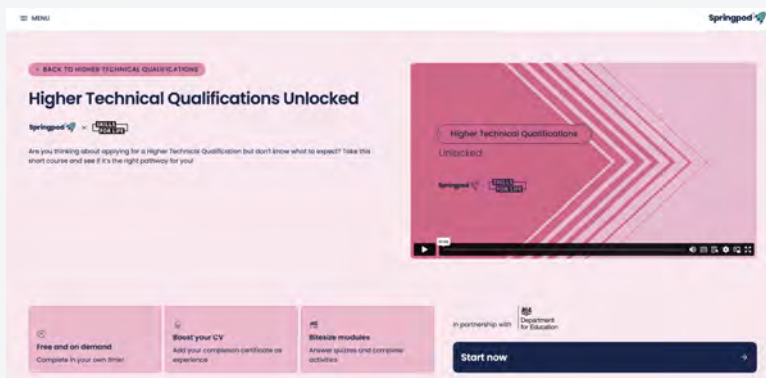

<https://unlocked.springpod.com/unlocked-intro/t-levels-unlocked>

Apprenticeships

<https://unlocked.springpod.com/unlocked-intro/apprenticeships-unlocked>
