OVERVIEW

To establish policy for the management of street raffles.

Many organisations both local, state wide and national rely on fund raising efforts, including raffles to assist in the provision of their services to their club, organisation or public. To achieve this end they request permission from Council to conduct raffles from Council controlled footpaths.

Council has designated areas in different townships throughout the Shire where groups are permitted to conduct such raffles.

THE POLICY

Raffles

Council may consent to community and charitable organisations selling raffle tickets in the commercial area of approved townships in line with the Street Raffle Policy and Local Laws 2 – 2011, Streets and Roads, Division 9, Collections on Roads.

When processing requests from organisations to conduct street raffles, Council must view the following documents:

- A copy of the organisation's public liability insurance certificate;
- A signed copy of Local Law 2, Schedule 4 form of indemnity.
