Easter Quilt Show

Featuring over 100 quilts on display, the Easter Quilt Show was a huge success. The display ran over Good Friday, Easter Saturday and Sunday with around 200 visitors coming through the doors. People were asked to vote for the quilt they liked the best and the clear winner was Gloria Davis with her Quilt titled 'Home Sweet Home'.

We also drew the raffle and the winner is Karen Briggs. All proceeds from the weekend go to the YNH Foodbank program.

Wendy, Robert & Elaine having a look at our beautiful display. 'Home Sweet Home' Gloria Davis, winner of the People Choice Award, congratulations Gloria!

Fabric Dyeing - Shibori, Natural Dyeing & Tye Dyeing

The process of Tie-Dye typically consists of folding, twisting, pleating or crumpling fabric or a garment before binding

with strig or bands, followed by the application of dyes.

Natural Dyeing uses natural occurring products to make dyes which we will then use to impart colour on fabric.

Shibori is a Japanese manual tie-dying technique which produces patterns on fabric. We will help

you create gorgeous works.

The Drum April 2022

Wellington Shire's Municipal Public Health and Wellbeing Plan known as 'Healthy Wellington 2021 - 2025' outlines the community outcomes and health priorities for Wellington Shire Council over the next four years.

The purpose of Healthy Wellington 2021 - 2025 is to demonstrate how Wellington Shire Council in partnership with health, community and education stakeholders will work together to improve the health and wellbeing of our community over the next four years.

This strategy builds upon the strengths of the previous municipal public health plans and is a key strategic planning tool to maintain and improve public health and wellbeing at a local community level. Healthy Wellington 2021 - 2025 was developed in conjunction with Wellington Shire Council Plan 2021 - 2025 and is one of four major strategic plans aimed at addressing the overall Wellington Shire 2031 vision

Starting a TAFE course in 2022?

Already enrolled but need more support?

Don't feel like you're in this alone, students who have access to additional support have a higher success rate compared to people who study alone. Our program is delivered in a safe, supportive learning environment to small classes via group workshops and individual support sessions. Remote learning options are available.

Time management: Manage deadlines and set learning goals. Learn strategies for juggling learning and the demands of everyday life.

Your learning style: Identify your individual learning style and use strategies that suit you. Learn how to understand assessment and coursework and succeed in completing each part of your course

Digital skills: Learn how to use the TAFE learning platform (Moodle), how to use appropriate software, how to research and how to communicate through multiple channels

Communication skills: Gain skills that you will need in your future workplace. Learn about the many ways you need to communicate both as an employee and as a student.
