

ARE YOU FUELED BY ZOCCAM?

DECREASE LIABILITY

Handling of home buyer's checks is eliminated, helping title companies conform to ALTA Best Practices, including most notably Pillar 3 (NPI protection).

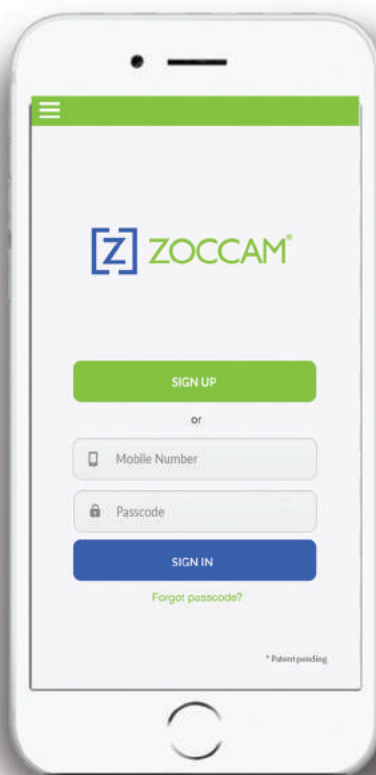

FASTER SALES CYCLES

Title orders are opened simultaneously with contract execution. Contracts and deposits that are ready after business hours will be sent immediately.

COST SAVINGS

ZOCCAM eliminates costs associated with wire transfers, personnel expenses, & courier fees which enhances customer experience and drives retention.

INCREASED BRAND AWARENESS

The Escrow Agent Recipient's branding is prominently displayed on the platform and email notifications.

CONSUMER EMPOWERMENT & TRANSPARENCY

ZOCCAM's notification system allows the parties to receive information about the closing process and confirms delivery of the contract and deposit.

SPEED & EFFICIENCY

The entire process of earnest money and closing cost transfers is automated thereby reducing transaction time and effort.
