West Highland White Terrier Club of Greater Denver

The members of the West Highland White Terrier Club of Greater Denver possesses much love and passion in many aspects of the West Highland White Terrier.

Our membership is represented by those who breed for confirmation and the betterment of breed health, show Westies to their AKC Championship, work with Westies as athletes in Agility, Rally and Earth Dog events, those who are pet owners, foster care providers and passionate about Westie rescue, and a few who have a general love of Westies.

Our Mission:

The support of regional owners, and breeders of the West Highland White Terrier. We are dedicated to helping breed and maintain Westies that are healthy and happy. We work to fulfill our obligation though our members active participation in our programs and events designed with this mission in mind.

One of the primary objectives of the West Highland White Terrier Club of Greater Denver is to promote the established breed standard for the general appearance and temperament of the West Highland White Terrier as set forth by the American Kennel Club (AKC).
