

**LASER ENGRAVED
GENUINE LEATHER**

**CUSTOM PATCH HATS
FINISHED IN CANADA**

Due to variances in screens colours may appear different from one device to the next. Additionally due to variances in dye lots, batches of leather, etc. colours of the material may vary.

Laser engraved leather patches are available with either a gloss or satin finish.

All patches shown below are laser engraved. Images are enlarged so the texture of the material appears exaggerated.
