Object Puppetry with Green Kids Inc.

Engage your imagination, body and voice as you discover characters and stories inspired by everyday and unusual objects.

Green Kids specializes in creating performance art that's gentle on the planet. This is not your grade school crafting class - no glitter or googly eyes here!

Ukrainian Cultural and Educational Centre Oseredok

Join us in making traditional vinoks (Ukrainian wreaths) that can be worn on your head or used for décor. Vinoks are a big part of Ukrainian culture, as they are worn for many special events such as weddings, Ivana Kupala (a celebration of summer solstice), Ukrainian dance, and much more. They symbolize glory, victory, success, and power and can be decorated with colourful ribbons - each colour containing its own symbolism.

Winnipeg Art Gallery WAG-Qaumajuq

Celebrating the WAG's world class collection of Inuit art at Qaumajuq, the mobile exhibition, Nakatamaakewin, offers an exciting selection of original prints, textiles, stone sculptures by Inuit artists, that will allow visitors of all ages to experience a greater understanding of Inuit art and culture, the land, and its people. Families can participate in an art making activity where they can use crayons, markers and pencil crayons to create colourful compositions connecting Arctic animals with the land, inspired by the works of art in Nakatamaakewin.

Main Stage:

12:00pm	Ben Tamana
1:00pm	Trio Bembe
2:00pm	Dr. Henry Jazz Band
