SOIRÉE ROYALE

The world's biggest 1920s experience is back!

After two very trying years for the entertainment industry, we're back – more immersive, and more roaring than ever before!

Following in the footsteps of three sold out world tours (Mad Mansion, Spectacle Extraordinaire and Cabaret Noir), the world's largest 1920s experience is finally visiting Offenbach on 18th of November 2022 – our first show in Germany since 2019!

We're absolutely delighted to be visiting Capitol Theater Offenbach for our very first visit to Offenbach, Germany – EVER!

Encounter marvellous performers and peculiar characters from J. Gatsby's inner circle, enjoy a breathtaking 3 stage show of burlesque, live music and circus and party to modern classics with a Gatsby twist 'till the sun rises.

Soirée Royale

Visiting 24 cities in 12 countries across Europe, North America and Oceania, Soirée Royale is set to be our biggest tour yet!

Joining us, is an amazing cast of acrobats, dancers, live musicians and much more...

- Chastity Belt (UK)
A regular on the London cabaret scene, Chastity will be whipping Gatsby's guests into shape with a plethora of song, glittering costumes and the dirtiest jokes.
- Paul & Louise (UK)
Golden buzzer contestants on Slovakia's Got Talent, Paul & Louise, are joining this year's show with a high tempo and sensual roller skating act - get ready for some serious speed and high flying splits!
- The Seifert Sisters (UK)
The Seifert Sisters are ready to take the guests on an energetic journey through jaw dropping, spectacular and absolutely "do not try this at home" acrobatic stunts on flying pole.

Soirée Royale

- **Nataly Zubkova (Estonia)**

- **Bart Hoving (Netherlands)**
Get ready to experience juggling like you've never seen it before, when Bart Hoving rejoins the PLG cast with his humorous, daring and highly impressive juggle and balancing skills.
- **Eliza DeLite (UK)**
Voted one of UK's top 20 burlesque performers by 21st Century Burlesque Magazine for 5 consecutive years, and with a brand new act made specially for Party like Gatsby's stages, Eliza will be teasing the guests with vintage glamour and a little bit of mystery.
- **The Nightunes (Germany)**
Party like Gatsby's resident band is ready to get everyone on the dance floor with modern hits and classics tailored to the Gatsby sound, inspired by Postmodern Jukebox.

Soirée Royale

- The Satin Dollz (UK)
Since 2017, The Satin Dollz have been doing the charleston on PLG's stages across Europe and North America - an astounding variety of vintage dance styles, tap and some serious girl power awaits.
- The Flying Willy (Belgium)
The Flying Willy will be greeting and entertaining guests from the moment they step through J. Gatsby's doors - better watch out, or you might just find yourself wrapped into some 1920s scandal.

Towering high above the audience or just lounging in our giant champagne glass, Kay Page will be immersing guests into the Gatsby universe from the night's start to finish.
- The Swingbot (France)
Catering to all your charleston needs, The Swingbot is ready with the best swing classics before the stage show and electro swing to ensure the party doesn't end until the sun rises.
