

HELP AND HOPE

Annual Report - Fiscal Year 2022

Catholic Charities of Southern Nevada (CCSN) is one of the largest nonprofit social service providers in the state, offering a comprehensive range of human services. CCSN's services include 16 diverse programs designed to give help, hope, and transform the lives of some of the most vulnerable men, women, and children in our Southern Nevada community regardless of race, religion or creed.

Starting Over In Her New Home

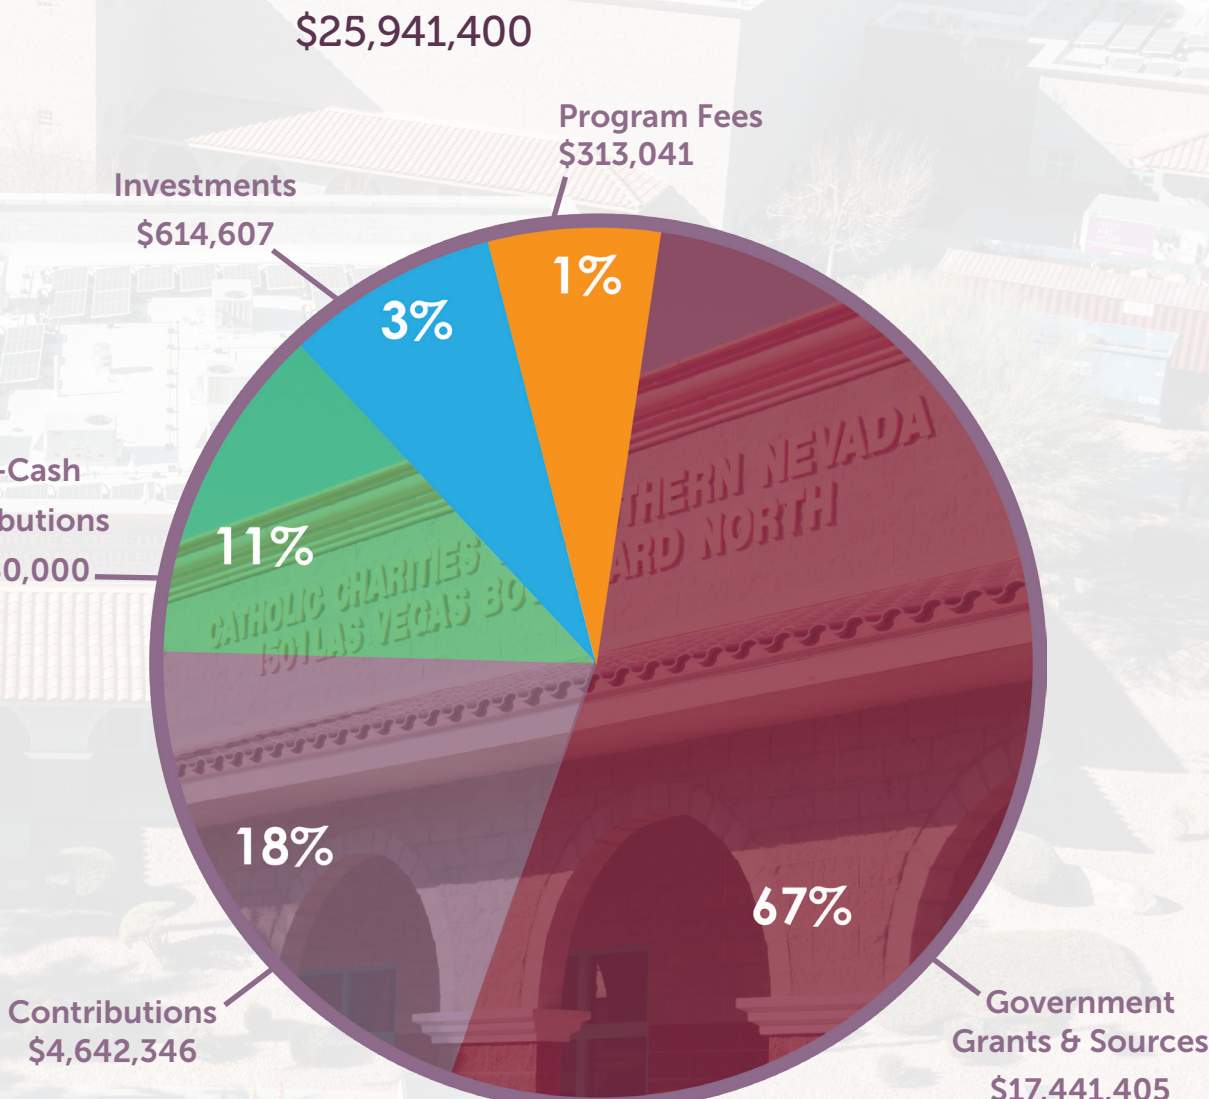

Alex arrived in Las Vegas over two years ago to seek refuge from a life-threatening situation. Unsure of how she would eat, Alex searched for food resources on Nevada 211's website and found the Hands of Hope Community Food Pantry. Since Alex's income is too high to receive Supplemental Nutrition Assistance Program (SNAP) benefits, she is grateful that she qualifies to receive food from the Food Pantry to help her adjust in her new home. The Food Pantry staff welcomed and "...became my family," said Alex. "They made sure I'm okay." Now, she recommends the services Catholic Charities offers to people whom she meets who are in need, especially for those "who want to get off the street."
