GAUSSIN announces a change at the heart of its management team

GAUSSIN (ALGAU - FR0013495298) announces the departure, effective immediately, of Mr. Dmytro Khoruzhyi from his position as Deputy Managing Director, due to differences of opinion on issues concerning the Group's operational and financial management.

Mr Dmytro Khoruzhyi had been appointed Deputy Managing Director by the Board of Directors alongside Mr Christophe Gaussin.

Mr Christophe Gaussin and the historic team will continue to manage the Group.

The agreements with Czechoslovak Group are currently being evaluated. The company will keep the market informed of developments.

There have been no other major events since the latest Shareholders' Meeting.

About GAUSSIN

GAUSSIN is an engineering company that designs, assembles and markets innovative products and services in the field of transport and logistics. Its know-how covers the transport of goods and people, autonomous technologies for driverless use such as Automotive Guided Vehicles, and the integration of all types of batteries, particularly electric and hydrogen batteries. With more than 50,000 vehicles worldwide, GAUSSIN enjoys a strong reputation in four rapidly expanding markets: port and airport terminals, logistics and people mobility. The group has signed agreements with global companies: Qatar Airways Cargo, Maersk APMT, UPS and Amazon. GAUSSIN has expanded its business model by signing licensing agreements to accelerate the distribution of its technology throughout the world. The acquisition of METALLIANCE is the culmination of the emergence of an international group present in all segments of intelligent and clean vehicles.

GAUSSIN won twice the Dubai World Challenge - Global Competition for Autonomous Transport, in 2019 and 2021.

In January 2022, GAUSSIN successfully completed the 2022 Dakar Rally with its H2 Racing Truck®, the first hydrogen vehicle to take part in the race and generate zero CO2 emissions.

In March 2022, Christophe Gaussin was named "Hydrogen Personality of the Year" during a ceremony at the French National Assembly as part of the Hydrogénies - Trophées de l'Hydrogène.

In April 2023, GAUSSIN joined forces with the Japanese giant MACNICA to take over the assets of NAVYA, the French leader in autonomous driving, through the creation of a joint company dedicated to autonomous and clean mobility.
