## UX Designer / Currently freelance at Institute for Integrative Nutrition

March 2021 - present

Improving digital experiences through holistic UX strategy, generative research, ideation, wireframing, and rapid prototyping and testing. Balancing user and business needs, my current projects include product launches, site redesigns, information architecture rework, and accessible online toolkits for educators and students.

## Design Project Manager (PT), Institute for Integrative Nutrition

September 2020 - July 2021 / New York, NY

Managed the process, timelines, scope of work, and execution for a design team of four, including the Design Director, partnering with Product and Engineering teams in agile sprints, communicating with stakeholders, leading cross-functional team meetings, and resolving risks and blockers.

## Digital Content Strategist, Writer, Editor, Freelance

April 2014 - March 2021

Concepted and delivered on a mix of digital content and copywriting projects in the health, lifestyle, and sustainability space.

## Senior Branded Content Editor, mindbodygreen

June 2018 - April 2020 / New York, NY

Collaborated with the Creative Director and design team to create engaging reader experiences on desktop, mobile, and email. Developed eight new content formats and led the execution of over 240 digital media content campaigns for brand partners, including Target and Chrysler.

## Senior Editor, HearstMade (Hearst Digital Creative Studio)

January 2015 - June 2018 / New York, NY

Implemented new ways to learn about our audience's wants and needs and obtain user insights through impact-driven research methods. Led the post-sale process of client campaigns from ideation to final edit of content on 20+ sites, including Esquire and Women's Health.

## Web Editor, DuJour.com

February 2013 - June 2014 / New York, NY

Oversaw site UX and strategy for content and social. DuJour is a:

- Webby Awards Best Web Magazine Nominee 2014
- Webby Awards Best Homepage Winner 2013
- Min Best New Site Honorable Mention 2013

## Assistant Editor, Associate Editor, Articles Editor, ELLE.com

August 2008 - January 2013 / New York, NY

As one of the first hires on ELLE Magazine's digital team, I worked closely with design and dev teams to bring a new vision of the magazine to life and helped manage, QA, and partner with front- and back-end developers on more than three major site redesigns.
