September 1, 2022

Dear Foundation Supporter:

The Lynwood Partners Educational Foundation (LPEF) is gearing up for another year of supporting our students and schools. We are excited to proudly announce the third year of Lynwood Gives!

On October 14th at the Lynwood Unified State of the District, we are kicking off our week-long giving campaign, Lynwood Gives, to raise \$25,000 to support critical programs for our Lynwood students. One hundred (100%) of funds raised will support college scholarships, college savings plans, teacher grants, and Science, Technology, Engineering, Arts, and Math (STEAM) programs. Last year, LPEF awarded over \$43,000 in college scholarships and emergency grants to support college expenses, provided over \$11,000 in mini-grants to 22 Lynwood Unified teachers, and assisted our Lynwood students and their families most in need with grocery gift cards.

LPEF is fortunate to have supporters like you who are committed to ensuring that our Lynwood youth receive the highest quality public education. LPEF serves to support and enhance the educational programs for Lynwood Unified students, teachers and schools. We invite you to show your support for our programs by becoming a sponsor of this special campaign.

Enclosed are Sponsorship Opportunities for your review. A sponsorship at any level can make a huge difference in our Lynwood school community! Please call Elsa Chagolla with questions at (310) 985-9713 or email at elsa@lynwoodedfoundation.org. To learn more about us, please visit our social media platforms on Facebook (@LynwoodEdFoundation), Twitter (@lynfoundation) and Instagram (@lynwoodedfoundation).

Please join us in making a meaningful contribution to Lynwood Gives. Together we can help our students achieve their highest academic and personal aspirations.

#WeAreLynwood

Sincerely,

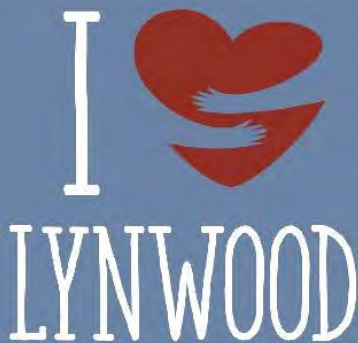

Natalia Flores, M. Ed.
President, Board of Directors

Gudiel R. Crosthwaite, Ph.D.
Superintendent

HELP SUPPORT OUR STUDENTS,
TEACHERS AND SCHOOLS!
