## EDUCATION

**Google** UX Design Certificate

// April 2021 - July 2021, Online

**Thadomal Shahani Engineering College** Bachelor's in Computer Engineering

// August 2014 - August 2017, Bandra, Mumbai

**S.H.M Institute of Technology** Diploma in Information Technology

// July 2011 - July 2014, Ulhasnagar, Mumbai

## EXPERIENCE

**Product Designer** Capgemini Invent (IKEA)

// November 2021 - Present

Working on a redesign of IKEA Developers Portal. Designing sketches and wireframes for desktop, tablet and mobile to illustrate screen flow and navigation. After Stakeholder's approval, work on the visual design and prototype by using IKEA's Skapa Design System.

**UI/UX Designer** Capgemini (Allegis Group)

// August 2020 - October 2021

Worked on time & expense portal of the Allegis Group. Work with the web analytics team to identify post-launch success metrics and make suggestions on how to improve. Present design concepts with internal teams explaining the rationale and iterate on designs as required. Develop prototypes to get user feedback early in the development process, iterating original concepts based on findings and recommendations.

**Frontend Developer** Capgemini (Allegis Group)

// Jan 2019 - August 2020, Mumbai

HTML, CSS & JS coding of front-end interfaces - including cross-browser support and unit testing to ensure quality work. Implemented frontend functionality following design mockups and UX description. Develop GUI following approved design guidelines.

**Production Support** Capgemini

// Dec 2017 - Dec 2018, Mumbai
