

VIDEO AUDITION GUIDE

Please use the guide and checklist below to ensure your video audition meets the required formatting. You will also find steps on how to upload your audition video to our Google Drive.

Please Note: You will require a google account to be able to upload your audition.

FILMING YOUR VIDEO

Please make sure:

- that we can see your whole body in your video. You may film in landscape or portrait mode;
- the area you are dancing in is as decluttered and clear as possible to avoid injury;
- you only record yourself dancing. You do not need any verbal introduction in your video, simply record yourself doing the dance;
- the music volume is loud enough that we can also hear it;
- you do a test video before filming your final audition to make sure you have done all of the above.

UPLOADING YOUR VIDEO

Note: Your video should not be more than 170MB. The title of your video should be: "Full name.mp4"
