

At Ekta Creative, we believe in transparency and fostering a culture where artists and teachers of art are acknowledged for their expertise and are adequately compensated for their services. Our overall goal is to ensure a sustainable business where we can keep doing what we love – teaching and sharing the artform of dance.

2024 Term Fee Structure

Ekta Creative operates on a term by term system of payment, where you pay for the entire term at once, not week by week. There are a total of 4 terms in a year, however Term 4 is used for rehearsals for our end of year concert, and is not open for new student enrolments. Payments are to be made prior to the term commencing.

Fee Breakdown

1 Term = 10 Weeks

1 Class = \$18

10 Classes = \$180

All Class Fees are non-transferable and non-refundable. In the event of a **class cancellation by us**, students will receive a refund of \$18 per class.

Refund Policy

Starting in 2024, classes that are missed will only be refunded if we are **given strictly 24 hours prior notice**.

Where do your Term Fees go?

Your Term Fees go towards operational expenses to ensure we can continue to operate long-term and sustainably, including:

- Weekly studio hiring costs

- Transaction fees
- Website building and hosting software
- Inflation
- Insurance
- Performance fund for end of year concert
- Marketing expenses
- Telephone expenses
- Business registration fees
- Teacher pay

Costumes

When it comes time for organising costumes for performances and our end of year concerts, we endeavour to source high quality costumes to ensure all of our students look exceptional on stage and are comfortable enough to dance in.

All costumes remain with us and are the property of Ekta Creative. We charge a rental fee to borrow the costumes which covers maintenance, cleaning, and storage of the costumes. Costumes are also available for rent outside of our performance periods, subject to availability.
