

Olympic Sports & Spine (OSS) specializes in orthopaedic rehabilitation and our clinics accept nearly every insurance plan. OSS will ensure that every student athlete can receive the treatment they require without unexpected expenses.

Medical Insurance Protocols for Student-Athletes

1

Olympic Sports & Spine (OSS) accepts nearly **every insurance plan**.

2

OSS verifies that student-athletes have insurance benefits **before beginning care** in our clinics.

3

Care provided by an Athletic Trainer **at school or on field is free of charge** to athletes and families.

4

Free walk-in injury assessments are available for all students, parents and faculty in all clinics.

5

Athletes and their families are informed about any anticipated **out-of-pocket expenses**.

6

Parent or guardian consent is necessary prior to beginning therapy for all athletes under 18 years of age.

7

Athletes and their families are informed if their insurance plans require them to obtain authorization or a **referral from a primary care physician** prior to therapy.
