## Fabric & colours

The two most commonly used fabrics in outdoor blinds are clear PVC and mesh. The choice between the two is largely a function of customer preference.

### Fabric

#### Clear PVC

For complete wind and rain protection and an unimpeded view. 93% UV radiation block out

#### Atmosphere mesh

Available in 20 unique colours. 5% and 1% openness available. 5 year product warranty. Mesh offers a comprehensive solution to wind and rain while also diffusing light, providing optimal sun protection and privacy

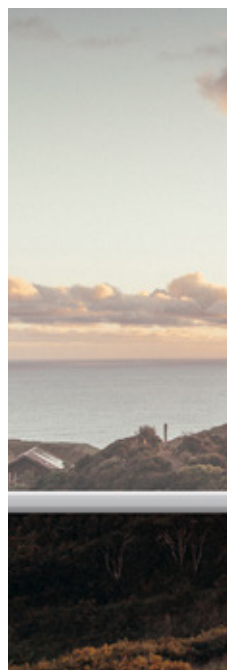

#### Acrylic canvas

While not common, outdoor blinds may also be made from Docril acrylic canvas

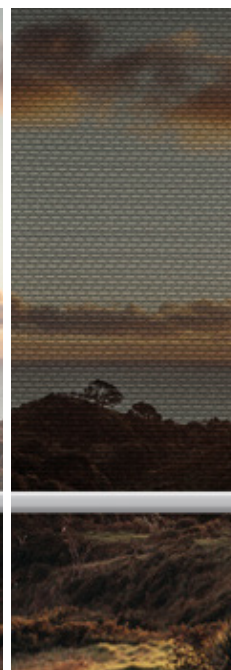

### Hardware colour

Customised to any colour from the Dulux Duralloy coatings range
