Sponsors

We're back, stronger than ever this year. With Covid winding down, we are proud to present our exhibition in true gallery style, with printed images on the walls to be enjoyed under the lights with friends.

When we started to build this show in the early '90s, there really wasn't much of a photographic community in our area. That's certainly not the case almost 30 years later, with 1,143 images submitted to our esteemed juror, Bob Krist.

New Hope is surrounded by extremely active photo clubs with interesting educational, informational programming and smaller contests presented year-round. This prestigious juried Phillips' Mill Photographic Exhibition has become an annual rite of passage for talented photographic image makers. We are proud to announce that fine art photography is thriving at The Phillips' Mill.

We want to thank the Phillips' Mill board of directors, especially Laura Womack, Jen McHugh and Terri Epstein, and Ananta Creative Group for marketing and communications. Thanks also to our energetic volunteers who put in a lot of time and effort to make this exhibition happen.
