## Preferred Contractor Parts Program

When your Ford commercial vehicle needs service, you need it done as quickly as possible. Often times that means doing it yourself. But where can you find the specialized commercial vehicle parts your truck needs? Most dealers don't stock parts for these vehicles and they're not on the shelf at your local auto parts store either.

Auto Park Fleet is proud to offer our Preferred Contractor Parts Program through our family of Auto Park Ford dealerships.

Simply go to: **[parts.ford.com/autoparkfordbremen](https://parts.ford.com/autoparkfordbremen)**, type in the VIN number for your vehicle, and search for the exact parts you need. Want assistance with your search? Give our Fleet Parts Manager, Nick Shepherd a call at **888-418-7947**. He'll be happy to help you find what you're looking for. Free shipping on any order over \$30. Call for special pricing on engines and transmissions.
