Exhibit Information

1. Exhibit Title (must be in form of question, i.e. "How is Electricity Created?"):
2. Please provide a description (75 words or less) of your exhibit and activity (this will be used in PSF Carnival marketing materials and on the PSF website):
3. Please provide a step-by-step description of your activity:
4. Please list materials you will be using:
5. Does your activity include a consumption of food or beverage of any kind, AND/OR do you plan on giving out food or beverages of any kind?
* Distributing food and beverage for consumption purposes requires special city permitting. Please contact psfcarnival@stocktonandpartners.com for more information.
6. How long will it take for an attendee to complete your activity (i.e. 2 min., 5 min., etc.)?
7. How many people does your activity accommodate at one time?
8. Do you have any unusual requirements (i.e. use of hazardous chemicals, large amounts of water, live animals, etc.)?

9. What types of waste does your exhibit produce (i.e. water, chemicals of any kind, paper, plastic, soil, etc. Dumpsters will be provided for trash and recyclables. Liquids, chemicals and all other waste must be removed and disposed of by each exhibitor.)?

10. Please provide the name and cell phone number of the person who will be in charge of your exhibit during the carnival.

11. How many people from your organization will be working/volunteering at your exhibit space on May 2 (This will help us fill your exhibitor bag with the right amount of swag!)?
