Learning Environments	Design Factor	Provided	

Learning Environments

	Design Factor	Provided	
Is must have threshold met? Yes	**Furniture Flexibility** Are there a variety of seating options to choose from?	Somewhat	1
Must have score: 5 of 6	**Technology** Are there computer labs, technology carts, or 1-on-1 tools?	No	0
Nice to have score: 8 of 26	**Storage Adequacy** Are there storage rooms, teacher preperation rooms, or casework?	No	0
Total Score **2.03**	**Breakout and Operable Space** Are there breakout spaces, team teaching, or study rooms?	No	0
	Furniture Size Are there a variety of height and/or depth options for seating?	No	0
If the must have threshold is met, then add the must have and nice to have scores for the total score.	**Student Display** Are there pin-up and presentation spaces for student work?	Somewhat	1
If the must have threshold is not met, then use the must have score for the total score.	**Quality Daylight** What orientation does daylight enter the space?	No	0

		Design Factor	Provided	
Scores Explained	Must	**Thermal Comfort** How are openings shaded and/or protected?	Somewhat	1
Score 0 At this point, no or only a few elements are provided in the learning environment. Example for furniture flexibility: typical chairs and desks.		**Layout Diversity** Do learning environments vary in shape and size?	No	0
		Color Cumulation Are there accent walls, ceilings, or flooring color changes?	No	0
Score 1 At this point, some elements are provided in the learning environment. Example for furniture flexibility: mobile chairs, desks, and group seating.		**Classroom Typology** Are spaces enclosed? Are there flexible walls or breakout spaces?	No	0
	Must	**Child Development Program** Is there a fully developed and supported pre-school and/or kindergarten program?	Yes	2
Score 2 At this point, most or all elements are provided in the learning environment. Example for furniture flexibility: mobile chairs, desks, group seating, and the ability to sit, stand, or lounge.		**Child Development Restrooms** Are there restrooms integrated into the child development facility?	Yes	2
		Child Development Storage Are there storage rooms integrated into the child development facility?	Yes	2
		Child Development Exterior Play Is there a dedicated fenced-in play area adjacent to the child development facility?	Yes	2
	Must	**Power + Data Infrastructure** Are spaces equipped with power, data, & WiFi?	Yes	2

Educational Adequacy Assessment Report

Individualized Support				**Design Factor**	**Provided**	
Is must have threshold met?		Yes	**Must**	**Special Day Class, Occupational / Physical Therapy** Is there an SDC classroom(s) integrated within a wellness center with sensory activites and functional skill support?	Somewhat	1
Must have score:	3 of 6		**Must**	**Resource Specialist Program (RSP)** Is there a dedicated RSP space(s) integrated within a wellness Center?	Somewhat	1
Nice to have score:	3 of 6			**Psychologist** Is there a dedicated Psychologist space(s) integrated within a wellness center?	Somewhat	1
Total Score	**2.50**		**Must**	**Speech Therapist** Is there a dedicated Speech Therapist space(s) integrated within a wellness center?	Somewhat	1
				Individualized Education Program (IEP) Is there a conference room integrated within either the wellness center or administration near the campus entry?	Somewhat	1
				Calming Exterior Space Is there a dedicated exterior space for the wellness center focused on calming?	Somewhat	1

If the must have threshold is met, then add the must have and nice to have scores for the total score.

If the must have threshold is not met, then use the must have score for the total score.

Scores Explained

Score 0
At this point, no or only a few elements are provided in the learning environment. Example for Special Day Class and OT/PT: None.

Score 1
At this point, some elements are provided in the learning environment. Example for Special Day Class and OT/PT: classroom with limited support.

Score 2
At this point, most or all elements are provided in the learning environment. Example for Special Day Class and OT/PT: classrooms, wellness center, sensory activities, and functional skill support.

Inquiry and
Experiential Learning

	Design Factor	Provided	

Nice to have score: 3 of 20

| | Media Resource Center / Library | Somewhat | 1 |

Total Score   **0.75**

| | **Media Resource Center / Library Space**
Is the space right-sized with up-to-date technology? | No | 0 |

Scores Explained

| | **Study Rooms**
Are study rooms provided? | No | 0 |

Score 0
At this point, no or only a few elements are provided in the learning environment. Example for art: none or typical classroom.

| | **Furniture Variety**
Are there a variety of seating options to choose from? | No | 0 |

| | **Student Display**
Are there pin-up and presentation spaces for student work? | No | 0 |

Score 1
At this point, some elements are provided in the learning environment. Example for art: shared with other programs.

| | **Color Cumulation**
Are there accent walls, ceilings, or flooring color changes? | No | 0 |

| | **Music**
Is there a dedicated music classroom(s)? | No | 0 |

Score 2
At this point, most or all elements are provided in the learning environment. Example for art: dedicated, right-sized lab with storage.

| | **Maker Space / Science**
Is there a dedicated maker space or science classroom(s)? | No | 0 |

| | **Art**
Is there a dedicated art classroom(s)? | No | 0 |

| | **After School Program**
Is there a dedicated classroom(s) for the after school program? | Yes | 2 |

Safety and Security

	Design Factor	Provided	

Is must have threshold met? Yes	**Must Secure Campus Perimeter** Is the campus perimeter fenced-in and well lit?	Somewhat	1
Must have score: 8 of 11	**Must Safe Student Drop-Off** Are there safe drive aisles for buses and parents to drop-off and pick-up their students adjacent to the entry?	Somewhat	1
Nice to have score: 8 of 17	**Cameras & Security Technology** Is there a digital camera system to monitor the campus connected to a security center on site?	Somewhat	1
Total Score 2.86	**Staff & Visitor Parking** Are there an adequate number of parking stalls for staff and visitors?	No	0
If the must have threshold is met, then add the must have and nice to have scores for the total score.	**Staff Information Share** Is the site outfitted with an intercom system and digital displays?	Somewhat	1
If the must have threshold is not met, then use the must have score for the total score.	**Must Single Point of Entry** Is there a single point of entry to acces the campus through administration?	Somewhat	1
	Wayfinding Is it easy to find the entrance to administration?	Somewhat	1
Scores Explained **Score 0** At this point, no or only a few elements are provided in the learning environment. Example for Welcome Area: none or limited exterior space.	**Must Supervision / Eyes on the Street** Does the administration have a visual connection to visitors as they enter the campus?	Yes	2
	Welcoming / Promotes Community Engagement Does both the interior and exterior of the campus entrance have seating options and shade?	Somewhat	1
Score 1 At this point, some elements are provided in the learning environment. Example for Welcome Area: exterior space with shade and seating.	**Community Communication** Can administration use a digital screen to communicate information with the community?	Somewhat	1
	Must Faculty Workroom Is the primary faculty workroom right-sized, fully stocked with resources, and easy to circulate?	Yes	2
Score 2 At this point, most or all elements are provided in the learning environment. Example for Welcome Area: interior space and exterior space with shade and seating.	**Faculty Lounge** Is the faculty lounge right-sized and integrated into administration or dining?	Somewhat	1
	Staff Storage Are there storage rooms provided in administration?	Somewhat	1
	Must Staff Restrooms Are there staff restrooms provided in administration?	Somewhat	1
	Nurse Is there a nurse office provided in administration?	Somewhat	1
