

LAKE CHAMPLAIN – LAKE GEORGE REGIONAL DEVELOPMENT CORPORATION

ASSESSMENT OF INTERNAL CONTROLS

Objective: The importance of an adequate system of internal control is to: (a) promote effective and efficient operations so as to help the authority carry out its mission; (b) provide reasonable, but not absolute, assurance that assets are safeguarded against inappropriate or unauthorized use; (c) promote the accuracy and reliability of accounting data and financial reporting to ensure transactions are executed in accordance with management's authorization and recorded properly in accounting records; (d) encourage adherence to management's policies and procedures for conducting programs and operations; and (e) ensure compliance with applicable laws and regulations. Furthermore, a successful system of internal control includes performing an annual assessment to identify potential weaknesses in policies or procedures and to implement corrective actions.

The Lake Champlain – Lake George Regional Development Corporation's Audit Committee conducts the Assessment of Internal Controls through interviews and document review.
