2^{IN} 1 STUDIO

OUR STUDIO

Moonlight Studio is a state-of-the-art production warehouse complex combining conventional studio facilities with urban “run and gun” production solutions and workflows.

Our Toronto facility offers **Two Studios in One**- a large **CYCLORAMA**, and a **FULL BLACKOUT VOID** soundstage; green rooms, production offices, swing spaces and ample parking. Along with shelves full of modern lighting and useful props and furniture.

OUR VISION

Our mission is to expand creative toolsets, integrate teams, elevate creatives, and facilitate production access for more efficient, reliable, and sustainable production environments.

CENTRAL LOCATION

98 MONTCALM AVE, YORK, TORONTO

Conveniently located in Central Toronto!

YES! That means it's easy to get to coming anywhere from the GTA
- we are very close to the highway

+ Our studio is surrounded with (in our opinion) the best food in the city
- so catering is easy and impressive.

+ Building a set? Home Depot, Lowe's and Canadian Tire literally a 1 minute walk....
Get your materials close by and save your time

OUR SPACE

This Multi-purpose space has a **FULL BLACK-OUT VOID** and a **WHITE CYCLORAMA**. Large Garage allows you to drive in the studio. A makeup station as well as 2 lounges included.

THE “VOID” BLACKOUT STAGE

Black Void space is a stage with matte walls and black floor. The black void creates the “Infinity Darkness” effect and helps to focus on the main object of shooting.

This space allows you to build any set, and has the most flexibility.

Make this a living room, drive a car in, or flood it with water.
Unlimited creativity.

VOID FEATURES:

- Full Blackout Stage
- Drive in roll up garage
- Climate Control in all areas
- Tall 15ft ceiling
- Grid for rigging lights
- Industrial Fan

The **DRIVE-IN INDUSTRIAL GARAGE** makes it easy to load in.

Power on the walls and the ceiling makes plugging in your lights easy.

HEAVY DUTY INDUSTRIAL SUPPORT BEAMS allow you to mount all your lighting from the top.

VOID FEATURES:

ELECTRIC GRID

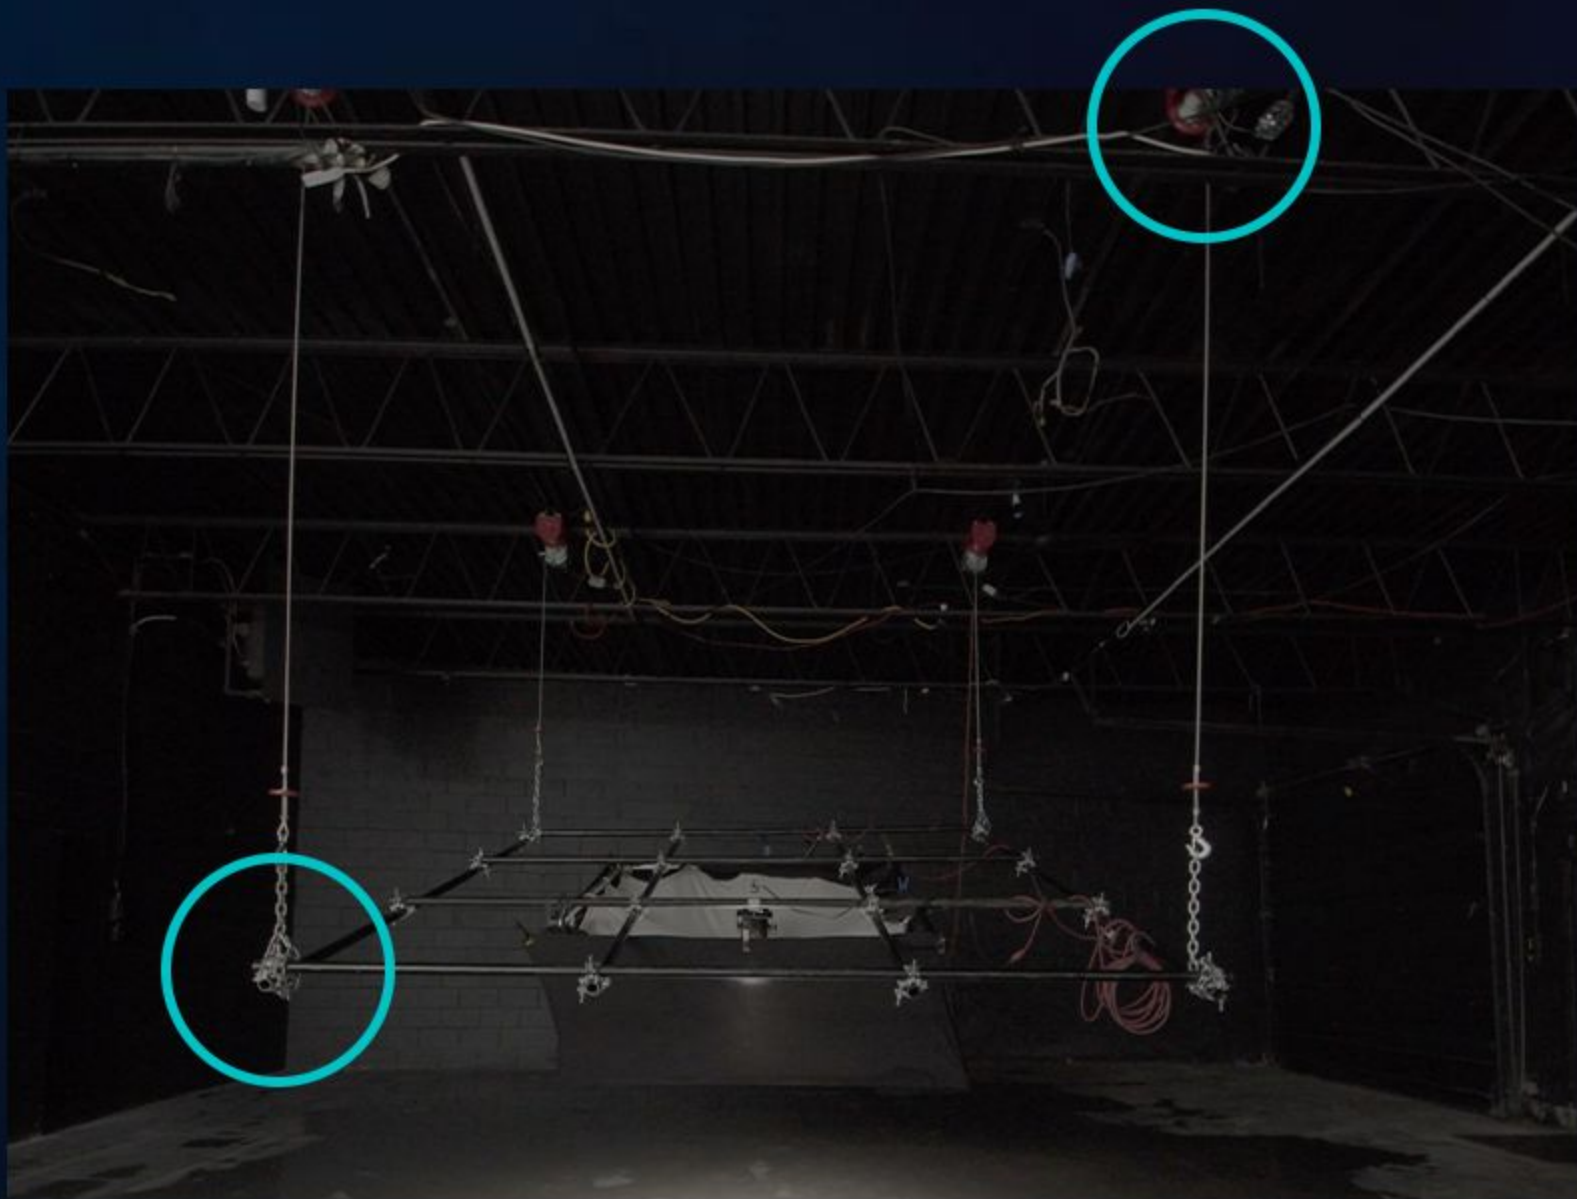

NEW!

NEWLY INSTALLED:

4 Hoist Light grid. Capable of lifting up heavy light fixtures.

This will make it **EASIER AND FASTER** to rig lighting as well give you more options with set design.
