

MITCHELL
— CLARE VALLEY —

SPARKLING PEPPERTREE NV

The ability to blend many vintages of Peppertree Vineyard Shiraz provides us with great consistency of quality and flavour in our Peppertree Sparkling Shiraz. Made in the traditional method, only 500 cases of this celebratory bubbles are available each year.

TASTING NOTE

Bright ruby in the glass with a fine bead on the tongue that shows lifts of youthful sour cherry flavours with earthy undertones leading in to a lingering plummy finish.

GROWING CONDITIONS

Fruit for this wine is grown in our mature, dry grown vineyard that yields just one tonne per acre. No artificial fertilisers, pesticides or herbicides were used and the vineyard has had regular biodynamic sprays since 2005.

WINEMAKING

A long dry summer with extreme heat was broken in early February with up to 100mm of rain falling in some parts of Clare Valley. This resulted in near perfect conditions for the grapes to finish ripening. Yields were low but the quality was excellent.

VINTAGE INFORMATION

VINTAGE: NV
VARIETY: SHIRAZ
REGION: 100% CLARE VALLEY
ESTATE GROWN: 100%
FIRST RELEASE: 1990
CELLARING: 2026
