

Mid Strength Apple Cider

Why a Mid Strength Apple Cider?

Introducing the Barossa Cider Co Mid Strength Apple Cider – the beverage that's redefining refreshment!

Are you tired of compromising on taste to keep things light? Well, say hello to your new favourite cider. With a moderate 3.5% Alc/Vol, it strikes the perfect balance between flavour and enjoyment, making it ideal for any occasion.

But it doesn't stop there – this cider is guilt-free indulgence at its finest. At just 95 calories per bottle and boasting low carbs, it's a fantastic alternative to the traditional apple cider.

At The Barossa Cider Co we know that the best flavours come from real ingredients. That's why our cider is made with 100% real fruit, giving it a crisp, authentic apple taste that's unmatched. It's like taking a bite out of a fresh, juicy apple, with a delightful fizz.

For those with dietary preferences, we've got you covered too. This cider is proudly vegan-friendly and gluten-free, ensuring that everyone can enjoy its deliciousness without compromise.

Barossa Cider Co is a family-owned business with a legacy of crafting exceptional beverages. When you choose this cider, you're not just sipping a drink; you're becoming a part of our story.

So why Barossa Cider Co Mid Strength Apple Cider? Because it's not just cider; it's a sensation that tantalizes your taste buds while respecting your choices and values. It's the perfect balance of flavour, refreshment, and responsibility.

Try it today, and experience the magic in every sip!

Taste

The Barossa mid-strength apple cider retains the light green apple colour of our traditional full-strength Cider – with a deliciously subtle and refreshing clean apple taste, while still maintaining the sweet aromatic apple notes - with 30% less carbohydrates.
